Welcome to our latest Newsletter.....!

The aim of the newsletter is to keep everyone within the Parish, whatever the main focus of their interests, up to date with all our current and future projects.

We really want to encourage everyone to take part, and have a voice in what we do as a Parish Council. With this in mind, and following the outcome of the Parish Plan results, we have listed below the Top 5 priorities for our community for the year ahead. The idea of the plan was to give everyone an opportunity to express their opinion on the current and future plans for the village, and the Parish.

The full summary of the comments and responses received from the Parish Plan are available on our website, we sincerely thank you for all the feedback and the effort taken to communicate both your views, your encouragement, and any concerns.

TOP 5

- ◆ Vehicle speed calming measures within Lockton village
- ◆ Improvements to both the village playground and tennis court/multi-surface area
- ◆ More pro-active planned maintenance to help with both road drainage and trees/vegetation
- ◆ Pro-active work on dog fouling within the village
- ◆ Attempts to expand the use of the village hall by exploring more classes and activities for the community

Regarding the Newsletter, and to ensure everyone receives a copy, we will hand deliver where requested, however if you would prefer, we can also email. Please do drop a note to the email address above if you would like adding to the distribution list. The latest Edition is always available to download from our website. We also try and initially hand deliver too, to any new residents we are aware of.

The next Parish Council meeting will take place at 7.30pm on the 02 October, 2023 at Lockton Village Hall. Everyone is welcome!
